

Declaration Instructions - 2018 USATF San Diego Road Series

In order for you to be eligible to score in the USATF San Diego Road Series for any event you must complete the following form IN ADDITION TO registering for each race separately.

YOU MUST COMPLETE THIS FORM FOR EACH RACE YOU WISH TO SCORE IN DURING THE 2018 ROAD SERIES.

Please complete “Declaration Form” for each race AND register for each race. To be eligible to score you must be a 2018 USATF San Diego member in good standing. To be eligible to score for your team/club you must be registered as an affiliated member of your team/club in our USATF San Diego database. All teams/clubs must also be registered for 2018 as clubs in good standing.

All clubs will be scored using a member’s club affiliation from our database. If individuals are not officially affiliated with a club they cannot be scored as a member of that club. It is up to club leaders to ensure members are affiliated with their club online.

For questions regarding club affiliation and membership please contact our Membership Chair, Tina Breen, at membership@sandiego.usatf.org

Thank you,

Marco Anzures
Road Series Coordinator
