

**USATF San Diego-Imperial Association
YOUTH CROSS COUNTRY SERIES**
Pala Coyote Tracks
Pala Coyote Tracks Invitational - 2K Race
Fox Raceway, Pala

TeamSportsNC

Day of Race Information

Parking: Go past the entrance to Fox Raceway and follow the signs.

Day of Race Registration: Follow the signs from the parking area.

Porta potties will be near the Finish line.

All races start by the large motocross jump next to the parking area.

The 2K course is mostly flat with some small hills mixed in. The 3K and 4K courses include a long hill up to the water tower where the racers will loop around and come back towards the spectators' area.

Most of each course is visible and will make for a fun spectator event!

Teams can set up canopies near the finish line. There will be some extra canopies for teams who do not have shade.

There will be some folding chairs and tables available for athletes (first come, first served). It would be a good idea to bring some chairs of your own as well.
