2. Michael Adkins addressed the meeting with some concerns with the elections.
 - a. Adkins indicated that he did not receive the notice and was concerned others who are Association members are affiliated with the youth were not notified. Also the notice for the Annual Meeting may not have been sent out in accordance to the Bylaws which state that the notice must be published at least 30 days prior to the election. There is some question if this happened or not.
 - b. The Nominating Committee appointed by the Association President at the July 18, 2018 meeting did not perform duties outlined in the bylaws as the by-laws call for the Board to act during its August meeting. Members appointed were Jennifer Nanista, Liz Tate, Lolitia Bache and Paul Greer. Some of the candidates running for election are not SafeSport compliant.
 - c. With the emergence of SafeSport and Background clearance for all board members as instituted by USATF, questioned or raised was whether there is a necessity for all persons seeking office to have complied with the requirement prior to election. Elizabeth Tate informed the meeting that she had talked to the National Office and those who were not Safe Sport Compliant were not eligible to act in any capacity until SafeSport Compliant.
 - d. An election email was sent out to the Membership that did not include information on Nominee Tibyasa Matovu. The Secretary confirmed that he received Tibyasa nomination but there is some question on if Matovu received the request from the Communications Chair for information to be put into the Election Email. As it was not received his information was left out.
3. Election for the Board of Directors (run by Tom Bache) commenced. Voting Panel of Tom Bache, Nick Christie, and Elizabeth Tate was formed by Tom Bache.

 - e) Election was closed.
4. President Marco Anzures talked about SafeSport compliance and how the Association will move forward in implementing it. Membership had questions about implementation and compliance for the Association. President did his best to answer the questions although some policies have not been finalized by the National Office so there were not answers to some questions. The President formed a Budget Committee for 2019 (Michael Adkins, Tibyasa Matovu, Hunter Daniels, and Nancy Morris). Delegates for the 2018 National Annual Meeting were not picked at the meeting as there weren't enough confirmed members to fill the spots. Michael Adkins pointed out that the Association Bylaws require Delegates to be filled at the Association Annual Meeting.
 5. Michael Adkins requested that the meeting be adjourned in memory of Shontay McBride, a USATF youth affiliated person and husband of one of our USATF youth coaches. The Board concurred.
 6. Meeting adjourned in memory of Shontay McBride at 7:50pm.
